

Reading Knights Program

Reading Knights Read Every Night!

The Reading Knights program is a literature-based reading motivation and management program designed to encourage students to regularly engage in reading practice and develop a love of reading. Reading Knights are motivated to read or experience reading on a **nightly** basis and, as a result, progress steadily towards their quest to become a Knight Master. Reading may take the form of independent reading, shared reading, listening to reading, reading along with a text, or being read to. Students are encouraged to select a range of fiction and non-fiction books suited to their reading ability for the Reading Knights quest.

Regular reading through the Reading Knights program allows students to explore, appreciate and enjoy the English language while experiencing a wide range of literary texts. The Reading Knights Program further aims to develop positive character qualities and work habits in students such as goal setting, determination and perseverance.

As Frenchville students progress through the various levels of reading nights, as stipulated below, they will receive tokens of achievement.

Page	25 nights
Apprentice	50 nights
Squire	100 nights
Knight	150 nights
Knight Master	200 nights

1st Year	Blue
2nd Year	Red
3rd Year	Green
4th Year	Purple
5th Year	Black
6th Year	Silver
7th Year	Gold

Those who make it to the level of Knight Master will be honoured at a 'Celebration of Champions' held twice per year. The number of reading nights must be recorded on the appropriate recording sheet and verified by an adult. For 2013, the inaugural year, students who attain the Squire level and beyond will be invited to participate in a celebratory event. Once successfully achieving the Knight Master level, students will again work their way through the various levels of reading nights (ie. Page → Apprentice → Squire etc) for the next colour stage (see table above).

How Parents Can Help

Encourage your child to read each night. Reading more books and developing a lifelong love for reading are important to your child's success. Just 15 minutes of independent reading a day exposes students to over a million words per year.

Here are a few helpful tips:

- Read every day
- Ask questions about reading
- Set up a reading area and routine
- Explain unfamiliar words
