

# Frenchville Focus

Issue 02 – 18 February 2021

Frenchville State School acknowledges the Darumbal people as the traditional custodians of the place we now call our school. We pay our respects to the Elders past and present and are proud to be supporting and encouraging emerging Indigenous leaders every day.

## Principal's News

### How Does the P & C Support the School?

The role of the Parents and Citizens Association in all Queensland state schools is to build a sense of community and to undertake fundraising initiatives which support the purchase of identified and agreed upon resources for the school. These resources can be both human and physical in nature.

Essentially, every parent or caregiver is a member of the parent community and as such has a responsibility to participate in some way to enhance the resources of the school, all of which benefit your children.

We are an incredibly fortunate community in that we have a very active P&C Association and an ability for parents to contribute both financially and through participation at our fundraising and social events, which brings a real sense of community to the school. The P&C operates the Tuckshop and Uniform shop at a nominal profit.

### How Can You Be Involved?

The P&C Association cannot continue to rely on the goodwill of a small number of parents who continually 'step up' to convene various fundraising events, usually those who attend the regular meetings each month.

COVID impacted significantly on us last year, limiting our cash flow for substantial projects. This means that it is even more critical this year that we not only move forward with holding social and fundraising events but we call upon the spirit of our school community to really get involved. **Everything that the P&C does is for the benefit of your children.**

Next **Thursday 25 February at 6:00pm**, the P & C will hold their **AGM**. All executive positions become vacant. Please consider how you can support our P & C and ultimately our students in 2021.

### OUR EXPLICIT IMPROVEMENT AGENDA IN 2021

Each year we focus on particular aspects of our school curriculum where we know we want to provide additional professional learning for our teachers and staff, so they can in turn provide the best possible teaching and learning for your children. Naturally, we continue to provide all other aspects of the curriculum as necessary, however with a sharp and narrow focus, it allows for deeper learning and understanding to occur.

This year we are focussing on:

- Continuation of planning and implementing Australian Curriculum units in Science and HASS with a focus on inquiry.
- Continuing the journey of inclusion of all students so that every student is succeeding with a focus on knowing where students are at and next steps.
- Implementing the Student Learning and Wellbeing Framework and Student Code of Conduct.

Throughout the year there will be greater elaboration on these focus areas through communication from class teachers and the leadership team. We are looking forward to a most productive and positive year of learning.

Katrina Jones  
Principal

## Fortnightly Date Claimers

17 Feb	MAD – Make a Difference fundraiser
18 Feb	Undercover area, before and after school
18 Feb	Religious Instruction commences
19 Feb	Friday Sport, Season A
<b>22 Feb</b>	<b>Book Club due to TWiST</b>

## QKR

The introduction of the QKR app as an alternate payment method has caused some confusion. This app indicates **all** invoices active at the school and should not be used to determine what is outstanding on your child/ren's account.

## Junior & Senior Choir Rehearsals

Rehearsals commenced this week for Junior and Senior choir at Mrs Hubner's music room. All interested students are welcome to attend.

Rehearsal times:

Junior Choir (Years 1-3): Thursday 8am

Senior Choir (Years 4-6): Tuesday 8am

## Stop Drop and Go Area / Traffic

We know traffic is an issue around our school and unfortunately there are no easy solutions. The P&C has been working with the council to address some ongoing concerns. Parents need to be patient and follow the road rules. This is imperative for the safety of our students. We know that our young students can be impulsive and unaware of traffic circumstances. Please be a good role model for your child.

## Prep Vision Screening Program

The State Government is offering a prep-aged vision screening program to all primary schools in Queensland. This involves registered nurses screening the vision of children in their first year of formal schooling. Early identification of vision problems can result in better school achievement and health outcomes which lead to more productive and healthier lives across the lifespan. There is no charge for the provision of this prep student vision screening service.

Prep parents can use the web address below to access the Online Consent Form. The form must be completed by **Friday 05 March 2021**. This information was emailed to all Prep parents.

### Student Absence Line

It's important to notify us if your child will be absent from school for the day. Please call: 4931 5366

## Prep Intake 2022

As per the Enrolment Management Plan, **only students whose principal place of residence is within the school's catchment area will be eligible for enrolment at the school**. Students who are siblings of current\* students at the school are also deemed eligible for enrolment. We are therefore requesting that **younger siblings of students that will be current in 2022** who are eligible for prep in 2022 complete the enrolment forms and lodge with the office as soon as possible. A reminder of the age rules for prep 2022: If you have a child born from 1 July 2016 – 30 June 2017 he/she is eligible for prep enrolment in 2022 at Frenchville State School. Please complete an enrolment form and return it to Frenchville State School.

### FOR ENROLMENT FORMS:

[www.frenchvilless.eq.edu.au/enrolments](http://www.frenchvilless.eq.edu.au/enrolments). For more information please call the school on 4931 5333.

*\*the current student must be enrolled at Frenchville SS for the same year the sibling commences*

## 2021 – Student online consent

Parents will soon receive an email link to an online student consent survey. Our school uses a range of online services, including websites, web applications, and mobile applications to help facilitate learning. Each child requires parental consent to access identified online environments in 2021. The provided survey link is designed to help simplify the annual online consent process. This consent has been done through a paper copy brought home by the students in the past. Paper copies will be available from the school office if required. Consent through the survey will only be required in the future for new enrolments and again for year 4 students as they have access to a different range of platforms in the upper school to the lower school.

The online survey email provides a unique ID and access code for each student attending Frenchville State School. The survey cannot be accessed until the individual codes are provided. If you have more than one child enrolled at the school you will receive multiple copies of the same email. Parents are required to complete the survey for each child attending Frenchville State School in 2021.

## Routines

There are a number of students at school very early. Students should be coming to school as close to 8:30 as possible if they are not involved in an extra-curricular activities eg choir or instrumental music. Your child's safety is at risk as staff are not rostered onto duty at this time.

## Swimming lessons – Year 4

Swimming lessons will commence at the Caribee Swimming Academy next Tuesday and Wednesday. Permission forms were due back on **Wednesday 17 February** and payment is due by **Friday 26 February**. If you have not received swimming information, please contact the school office.

## Instrumental Music

Welcome back to 2021 for our new and continuing students. All beginner students will have had their first lesson by the end of this week. All continuing students will commence lessons in week 3. Concert Band and String Orchestra rehearsals will commence when your child has been advised by their teacher. Student resource scheme forms will be sent home to new instrumental students this week. Invoices will be emailed to instrumental music students in March.

## Request for Assistance: Languages other than English

Do you have a home language other than English? We are looking for some parents to translate a short invitation for other parents in any of the following languages: Filipino, Vietnamese, Chinese, Punjabi, Bengali, Bengal, Nepali, Bemba, Hindi, Lao, Urdu, Malayalam, Tamil and Kannada. If you can help, please contact our Speech Language Pathologist, Kylie Hull on [khull18@eq.edu.au](mailto:khull18@eq.edu.au).

## School Photos

Our 2021 school photos will be taken on Monday 15 & Tuesday 16 March. The photo timetable will be published in the newsletter closer to the date. Photo envelopes will be distributed on **Monday 22 February**.

**Do not bring envelopes  
in prior to photo day**

## School Performance

The following performance will be coming to our school in Term 1 2021 to perform for the whole school. **No late payments will be accepted.**

Performance	Date	Payment due
Brilliant at being Resilient	26/03	<b>24 March by 10am - \$5.00</b>

## Religious Instruction 2021

Queensland state schools embrace a multitude of cultural, religious and non-religious beliefs. Under the *Education (General Provisions) Act 2006*, schools are to provide Religious Instruction (RI) if approached by a faith group seeking to provide RI and students of that faith attend the school. RI informs students about the beliefs and values of a particular religion. It is delivered by volunteers of a faith group using instructional materials approved by that faith group. RI is required to be consistent with legislation and Department of Education policies and procedures.

All RI instructors must hold a blue card and participate in compulsory Student Protection and Code of Conduct training. RI instructors are only entitled to deliver the RI programs outlined below. A school staff member will be present during the delivery of RI.

Participation in RI is not compulsory. Any student (except Prep students) may participate in RI if a parent has provided written instructions to the school. Students are allocated to RI based on information provided by parents on the completed [Application for student enrolment](#) unless other written instructions have been provided to the school.

**Note:** *This consent remains in effect unless the parent informs the school otherwise in writing.*

Religious instruction lessons commence on Thursday 18 February. Religious instruction is conducted on: Thursdays 1:35-2:05pm Years 2,3,4; 2:10-2:40pm Years 1,5,6. The list of faith groups that provide religious instructors to deliver an authorised program is shown below:

Arrangements for Program	Participating Faith Group/s	Program of Instruction authorised by the Faith Group
Cooperative Program (Christian previously Ecumenical)	Baptist, Christian, Anglican Presbyterian Church of Christ	"Beginning with God" – Year 1 "Godspace" Program – Years 2-6
Single Program	Bahai	"Bahai Education in State Schools"
Single Program	Catholic	"Christ: Our Light and Life" Program

### Other Instruction

Students who are not participating in RI will be provided with other instruction in a separate supervised location. Other instruction must relate to part of a subject area already covered in class and may include, but is not restricted to:

- personal research and/or assignments
- revision of class work such as creative writing or literacy and/or numeracy activities
- wider reading such as independent reading appropriate to the student.

Parents will be advised of any changes to the RI and other instruction programs to ensure they are able to make an informed decision on their child's participation.

Frenchville SS P & C Association

Our P&C meets on the 2nd Thursday of each month. All parents are welcome. P&C Email: [pandc@frenchvilless.eq.edu.au](mailto:pandc@frenchvilless.eq.edu.au)

Parent Talk - <https://pandcsqld.com.au/members/publications/parent-talk/>

## Friday Sport – Years 5 & 6

This Friday, 19 February, is the first day for Friday afternoon sport for the school year. This season interschool sports are AFL, Soccer and Softball/Teeball. AFL and Softball/Teeball are played at the fields in West Rockhampton and soccer will be at Norbridge Park, or potentially travelling to the ovals of other schools. As per usual, there is a cost associated with bus travel to the venues. For those students remaining at school, the teachers will be running a variety of sports and activities to keep the students active and learn a variety of skills. We are limited to the number of teams we can nominate for the competition, as we need to consider staff supervision with the travelling teams and those students remaining at school. Teams were determined through try-outs held and unfortunately there are some disappointed students as we can't take everybody.

It is fantastic news this year that we are able to welcome parents and family back to spectate at the games on a Friday afternoon under our current COVID guidelines. Spectators **must** sign in on arrival at the venue, provide their contact details and requested to ensure physical distancing is maintained between adults.

## Spectators Welcome

### Sport Fixtures – 19/02/2021

#### Soccer

12:40pm	Frenchville Yr 5 v Glenmore	Norbridge 2
1:30pm	Frenchville Yr 6 v Glenmore	Norbridge 2

#### AFL

12:45pm	Frenchville Falcons v Mt Archer	KP 2
12:45pm	Frenchville White v RGS Bombers	KP 3

#### Softball / Teeball

12:45pm	Frenchville Yr 6 Girls v Mt Archer	3C
12:45pm	Frenchville Yr 6 Boys v RGS	2B
12:45pm	Frenchville Yr 5 Girls v St Joey's PA	3A
12:45pm	Frenchville Yr 5 Boys v Parkhurst	2C

#### SPORT VENUES

Norbridge Park (Soccer): Reaney Street, North Rockhampton

Kele Park (AFL & Softball/Teeball): Kalare Street, West Rockhampton

### Kim Baker – Guidance Officer

I would like to thank the school community for welcoming me so beautifully to Frenchville State School. As a new member of the community, I think it's always nice to share a little bit about me both personally and professionally. I am looking forward to getting to know you all, so that I may support you and your children in the best way possible.

Professionally, I am passionate about working closely with staff, students, parents and the community to ensure all students have access to the same learning opportunities, show growth and experience success. Throughout my teaching career I have worked in various roles from classroom teacher, Students with Disabilities (SWD) teacher, Support Teacher Literacy & Numeracy (STLaN), Inclusive Education Teacher and Guidance Officer, working across Prep-7.

Personally, I grew up on a farm in the Hunter Valley NSW. I moved to Sydney to complete my Bachelor of Education & from there I began my teaching career on the Gold Coast. During this time, I took stints of leave and travelled around Europe, Asia & America. In 2009 I moved to Toronto in Canada for a year. My mum & sister live on the Gold Coast- my sister is an SWD teacher & mum was a TA at special school before her retirement. I'm an avid scuba diver, so I look forward to visiting Great Keppel Island soon.

Here's to a great Term 1 and if you need anything, please don't hesitate to come and talk to me. Alternatively my email address is: kbake24@eq.edu.au

### Tuckshop Volunteers

Each year at this time the tuckshop seeks the assistance of parents to voluntarily help at the school tuckshop. The tuckshop operates five days per week. To enable us to provide a varied and nutritious menu, we would like two helpers each day. Please consider putting your name down. It is usually only for 2-3 hours once a month.

By volunteering for tuckshop you can:

- keep in touch with what is happening at school
- meet people with similar interests
- make a worthwhile contribution to your children and school, plus your children love seeing you there!

We would be delighted to welcome any of our new families to the school: Mums, Dads or Grandparents, we would appreciate your help. It can be a very enjoyable time and a way of making new friends. Children are not permitted in the tuckshop. If you are able to assist us, please call in and see us at the tuckshop or phone 49315323 so that we can organise a day that suits you best.

Thanking you, Chris Hills

# NAPLAN Online for Year 3 & Year 5 – 11-21 May

This year, **between 11 and 21 May**, our Year 3 & Year 5 students will be doing **NAPLAN Online**. Our students and teachers use ICT every day, making us confident and capable with ICT. Our classrooms have kept pace with technology, so it's a natural progression that we assess using ICT.

Online assessment offers many new opportunities that are often limited, or not possible, with paper-based tests. Trials by the Australian Curriculum, Assessment and Reporting Authority (ACARA) suggest students are more engaged with online tests that use a tailored test design which adapts to their knowledge and abilities. They are less likely to become discouraged as they progress through tailored tests. **This year, students in Year 3 will continue to complete the writing test using pencil and paper.** All other test components, including Year 5 writing, will be conducted in an online environment.

NAPLAN assesses literacy and numeracy skills that students are already learning at school. On its own, NAPLAN is not a test that can be studied for and students are not expected to do so. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance; however, students and parents may use individual results to discuss progress with teachers.

The infographic below shows the different components of NAPLAN and the time requirements for each year level involved.

Frenchville SS P & C Association

Parent Talk - <https://pandcsqld.com.au/members/publications/parent-talk/>

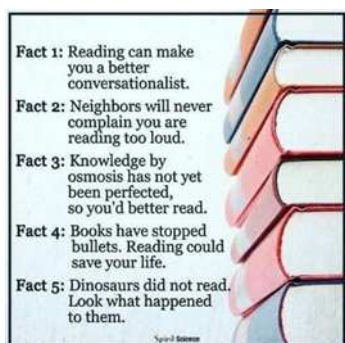

## Curriculum Updates

Attached to this email is the Term 1 Curriculum Snapshot. This outlines the basics of teaching and assessment for the term in each year level – classroom teachers may provide more detailed information during parent / teacher meetings

**Multi-age classrooms** – this year we have two multi-age classrooms. These classes have had their curriculum designed very carefully to cover all aspects of content that needs to be taught and assessed. To ensure their topics are not overlapping with prior or future years, different learning contexts have been selected to allow for appropriate content coverage. Sometimes this might not line up with the rest of their cohort but by the end of the year, all aspects of their appropriate year level achievement standard will be covered. Student will still have the opportunity to participate in all excursions and events with their year level.

## Literacy Lifting

Literacy and numeracy are the cornerstones of our curriculum and to be successful, students need to develop their skills in these areas. While pressures on families and homelife are greater than ever, it is still the little things that can make a difference. Reading is the most important skill that children learn as it underpins every other subject. Reading to students and encouraging the use of language is something that can be done simply in everyday life. What to do - every opportunity to engage your child in language is valuable - sharing stories, dinnertime conversations, reading environmental print, helping read recipes, writing shopping lists. Not only do these activities help your child's literacy development, they demonstrate the purposes of literacy in everyday life.

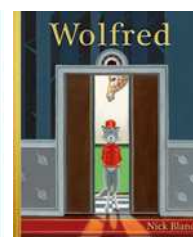

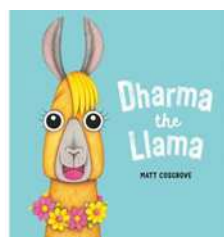

## Library News

**Congratulations** to all of our students who participated in **Blind date with a Book**. We hope you enjoyed sharing your special story with your loved ones. **Library borrowing** has commenced at school for all students. Please ensure that your student has an appropriate protective bag for their book/s. Any students with outstanding loans from 2020 will have limited borrowing privileges. (If you are unsure about overdue, please contact the TWIST staff – many missing items turned up in end of year moves and clean-ups).

### New Books:

Keep your eye out for the following that will be appearing on the shelves soon.

## Book Club

Mrs Rosenberg gave out

Issue 1 Scholastic Book Club last week. Please place orders using the LOOP Online ordering system. We shall be phasing out cash payments for Book Club this year and by 2022, cash payments will not be accepted for Book Club. LOOP App is available for apple or android devices. Often free books and extra rewards are available through using the LOOP App.

Issue 1 Book Club Due: **22 February 2021**

## Knightly Tales

Reading Knights counts the number of nights that students read – this is to encourage the development of reading as an everyday habit. We encourage a minimum of 10 minutes of reading / sharing of stories. Each night that your child reads should be recorded in their Reading Knights Booklet.

## Numeracy

Some things in mathematics remain consistent as is the importance of basic number fact recall - again something that can be easily slipped into everyday home activities - shopping, Tuckshop, counting pegs in pairs, etc.

Games that improve number fact recall can be played with the most basic / inexpensive items - a pack of playing cards, some dice or a set of dominoes. In the rest of this term's newsletter, there will be a simple game that will improve number facts that can be played with a pack of playing cards.

Frenchville SS P & C Association

Our P&C meets on the 2nd Thursday of each month. All parents are welcome. P&C Email: [pandc@frenchvilless.eq.edu.au](mailto:pandc@frenchvilless.eq.edu.au)

Parent Talk - <https://pandcsqld.com.au/members/publications/parent-talk/>

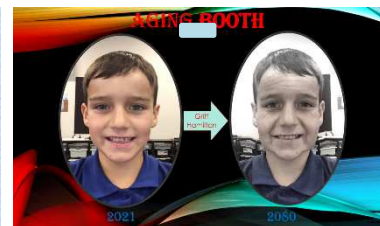

# Curriculum Snapshot

## Year 2 Digital Technology

Year 2 children have been busy learning all things technology including the need for passwords and how they help protect our personal information. Each class constructed a strong password using a combination of letters, symbols and numbers.

Year 2 students have also been using an iPad application called Aging Booth to visualise what they might look like in the year 2071. They discussed how image data can be transferred between devices and have used network drives to create a visual presentation.

## Year 3 Digital Technology

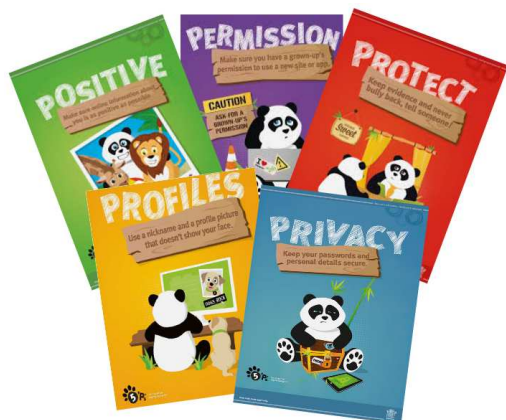

Year 3 students have started the year by investigating information systems and how they use a database to group information. The school's library borrowing system and Flexischools online ordering and payment platform provided two excellent, real-life examples. Each student is developing a PowerPoint slide to provide information about an important part of Frenchville State School. Individual student slides will be combined to create an information system for new year 3 students at Frenchville State School.

Be responsible	Be Safe
<ul style="list-style-type: none"> <li>Respect the school rules</li> <li>Be Responsible by thinking carefully about the places I go online.</li> <li>Take good care of the ICT equipment I use.</li> <li>Think before you share.</li> <li>Tell a adult when someone is bullying you online.</li> </ul>	<ul style="list-style-type: none"> <li>Protect your profile with a strong password.</li> <li>Don't talk to strangers.</li> <li>Privacy lock your screen when you leave your computer.</li> <li>Make good decisions.</li> <li>Don't share information to friends or they might log into your stuff.</li> </ul>
Be respectful	Be Safe

## Year 4 Digital Technology

Year 4 classes have been accessing online environments to research, collaborate and create digital resources. Students have discussed online safety and collaboratively developed a set of guidelines to help other children stay safe in our digital world. The online safety unit is designed to complement the start of the BYOx program.

# Community Notices

Are you interested in playing club Netball and aged 9 to 12 (born 2009 to 2012) Bluebirds Netball Club is currently looking for players to join our club for the 2021 season. If you're interested please contact our club President Debbie Crane for further information on 0409 622 606 or send an email to [bluebirdsnnetballclub@gmail.com](mailto:bluebirdsnnetballclub@gmail.com).

**Stay cool, get fit, and make friends! Try Kids' Water Polo!**

Kids' Water Polo is a modified version of water polo for children in Years 2-7. It is a fun, social, team sport that develops coordination, teamwork, ball-handling, and swimming skills. While children need basic swimming skills to participate, it takes place in the shallow end, so most can touch the bottom.

**When:** Thursdays from 4:30-5:30 pm. It starts January 28, 2021 and runs throughout Term 1.

**Where:** Northside Pool (330 Berserker St, Frenchville)

**Cost:** \$8 per session or buy a 10 session pass for only \$70. Pool entry is included in the price!
